WASTE COLLECTION PROGRAM

- ✓ Sanitation Service Ordinance was passed on Tuesday, October 9, 2018
- ✓ City's Solid Waste Ordinance No. 2018-041, adopted on October 23, 2018:
 - Created a regulated industry where the City sets the standards for operations,
 - Allows waste collection vendors to contract directly with residents to establish trash collection services,
 - Vendors are charged an infrastructure maintenance fee which is five percent (5%) of gross receipts.

PROGRAM PURPOSE

- ✓ Promote safety, sanitation, reliable waste collection, and protection of the environment and City streets and roads
- ✓ Assist with controlling illegal dumping

**ILLEGAL
DUMPING**

IDEAL

PROGRAM DESCRIPTION

- ✓ Waste collection vendors must meet City mandated qualification requirements.
- ✓ Each residence is required to have waste collection service through a qualified vendor.
- ✓ Waste collection vendors contract directly with residents to establish a more individualized level of control over selected services.
- ✓ Property owners/residents may secure services from any company on the City's approved South Fulton Sanitation Services Vendors List.
- ✓ The list is maintained and updated on the city's website.

DISCOUNTS

BILLING FEES

- ✓ There is a 5% infrastructure maintenance fee assessed to sanitation providers doing business in the City.
 - To assist with managing the wear and tear resulting from the constant use of such large trucks and equipment on City roadways.
 - As with most industries in the U.S., the vendors may absorb the fee or increase rates to pass the fee along to the customer.
- ✓ Solid waste providers maintain the right to charge a fair competitive market price.

COMPLIANCE

A grace period for residents to comply and obtain sanitation services has been set until **February 1, 2019**.
